

Aqua  Xpress

## 3/4" Solenoid Valve

The Aqua Xpress Valve controls the water supply to the house.

The driver can control 2 valves for apartments without a water heater.

The valve is supplied open and remains in the position in which it has been set until it receives a pulse with the opposite polarity.

Cable and plug for valve driver included.

Aqua Xpress is a flexible product that can be expanded to accommodate different needs and security levels.

| PART NO.          | NAME                |
|-------------------|---------------------|
| 5648511 / 6251649 | 3/4" Solenoid Valve |

| VALVE       |   |                    |                           |
|-------------|---|--------------------|---------------------------|
| Dimensions: | HxWxL 94 x 55 x 79 mm                             | Operating voltage: | 12 VDC                    |
| Coil:       | Bistable  | Pressure/Flow:     | 0.15 – 10 bar / 92 L/min. |
| Connection: | IN: 3/4" female thread    OUT: 3/4" female thread |                    |                           |

| VALVE DRIVER       |                       |                    |             |
|--------------------|-----------------------|--------------------|-------------|
| Dimensions:        | HxWxD 95 x 73 x 37 mm | Frequency:         | 868,100 MHz |
| Operating voltage: | 230 VAC +10/-20%      | Transmitter power: | +5 dBm      |

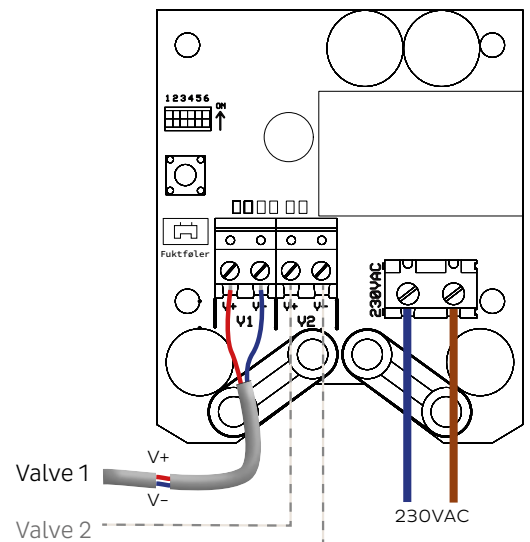

### FEATURES

- ✓ Wireless communication.
- ✓ Simple to install.
- ✓ Controlled by 12 VDC pulse from valve driver.
- ✓ The valve driver runs off 230 V.

### COMPATIBLE WITH

- ✓ Moisture Sensor
- ✓ Motion Sensor, wireless
- ✓ Master On/Off, wireless
- ✓ Timer, wireless
